A culinary journey through Italy

7-COURSE GRAND TASTING MENU BY FRANCK GARANGER

An anthology is defined as a collection of selected cultural works of art. True to its name, our Anthology restaurant tells the story of Italy's culinary brilliance through a creative expression of culture, heritage and passion.

From the renowned flavours of Piedmont's truffle-rich countryside in the North, to the famed specialities of Italy's South, the menu is an ingenious display of creativity – each dish celebrating the finest local ingredients and time-honoured techniques and tastes of every region in Italy.
